Kunlun DCC3008 system oil.doc

**Subject: Letter of approval for PetroChina KunLun DCC3008 System Oil
(SAE30, BN8)**

Dear Sir,

This letter is to confirm that PetroChina Kunlun DCC3008 system oil is approved by Wärtsilä Switzerland Ltd for use in all Wärtsilä two-stroke engines.

The approval is based on physical and chemical properties and bench test data, and on satisfactory results of a 4000 hour field test in the SL Champion equipped with 9RTA84C engine.

The application must comply with Wärtsilä lubricating oil requirements and recommendations. Lubricants should be used as recommended in the Wärtsilä Service Bulletin RTA-18.3 and manuals. The supplying Oil Company is responsible for the performance of the oil in service, to the exclusion of any liability of Wärtsilä Switzerland Ltd.

Yours faithfully,
Wärtsilä Switzerland Ltd
