

# Kunlun SL Super Automotive Engine Oil

Kunlun SL Super Automotive Engine Oil is a conventional multigrade passenger car motor oil. It has been developed for high performance gasoline engines operating under severe conditions.

## Performance Standards

KunLun SL Super Automotive Engine Oil meets the following performance requirement:

API SL/CF

## Benefits

KunLun SL Super Automotive Engine Oil provides outstanding performance such as:

- Controls carbon deposit build-up.
- Resists oil degradation and breakdown.
- Protects engines from wear and sludge formation.
- Provides excellent rust and corrosion protection.
- Maximizes useful engine life.
- Keeps engine components clean.
- Maintains correct oil viscosity.

## Applications

KunLun SL Super Automotive Engine Oil is developed for high mileage passenger cars of most makes and models. Super Automotive Engine Oil may be used where oil meeting earlier classification such as API SJ, SH, SG and SF is recommended.
